Re: Public Information request

Our agency is in receipt of your request for 911 calls January 10, 2019. Due to the volume of calls, please narrow your request to a certain time period and not a general date. Due to the 911 calls that may be attached to an active offense, that is under investigation, we may not release those calls without subpoena. If you are inquiring about a specific case, please include the name of either the defendant, or suspect, and a location of the call.

Sincerely,

Jay Webb
